14<sup>th</sup> November 2018

Dear Parent/carer,

We are keen to continue improving communication with parents/carers and have recently introduced a new system in school called Go 4 Schools.

Go 4 Schools is a web based portal that allows teachers to collect and store details about your child's attendance, academic progress and behaviour. This information is accessible to parents and carers of students at the school via the website [www.go4schools.com](http://www.go4schools.com)

As a parent you can access your child's timetable, recent assessments, attendance and behaviour data. Throughout the academic year we will also publish your child's reports on Go 4 Schools. The system will go 'live' from January 7<sup>th</sup>. After this date you will be able to see the information on your child.

For the school to be able to set parents up as a user we will use the e-mail address that we hold on school records. In order to ensure the e-mail is correct and so that you are able to access the system, please complete the information slip below and ask your child to return it to their tutor.

Preferably, you can email the details to [sue.warren@johnmadejskiacademy.co.uk](mailto:sue.warren@johnmadejskiacademy.co.uk) ensuring you include your name and your child's name on the email.

This is an exciting development giving parents more up to date information on the progress of their children. Your child can also register by following the pupil page and then entering their School e-mail address. Any feedback on what you see is welcome.

Closer to launch I will write again with detailed instructions on how to use Go 4 Schools and there will also be drop in sessions for parents to come and see how to use it and ask any questions.

Yours sincerely

Stuart Allen  
Vice Principal
